

The Land Development Agency

Annual Report on Protected Disclosures - 2024

Background

The Land Development Agency is committed to supporting a responsible and ethical organisational culture within the Agency. We aim to foster a working environment where workers feel safe and comfortable in raising concerns.

This Agency takes its obligations under the Protected Disclosures (Amendment) Act 2022 very seriously and is strongly committed to supporting people to speak up about their concerns of wrongdoing, as defined in the legislation. At all times, it is central to this Agency’s protected disclosures policy that the reporting person’s identity will be treated confidentially in accordance with the Protected Disclosures Act 2014 as amended by the Protected Disclosures (Amendment) Act 2022.

Under Section 22 of the Protected Disclosures Act 2014, (as amended by the Protected Disclosures (Amendment) Act 2022), each public body is required to publish an annual report setting out the number of protected disclosures received in the preceding year and the action taken (if any).

Annual Report for year ending 31st December 2024

Section 22 of the Protected Disclosures Act requires public bodies to prepare a report not later than 30 June each year setting out the number of protected disclosures made to it in the course of the immediately preceding year and certain other information relating to any such protected disclosures.

This report under Section 22 of the Protected Disclosures Act covers the period from 1 January 2024 to 31 December 2024.
