Dear Dearbhla, Alan,

I hope you're both well.

Many thanks again for that informative brief last week. Having briefed colleagues here, I wanted to draw your attention to two particular sites: [REDACTED] and Sherriff Street Upper (Class 1, CIE). We thought it best to feed in as early as possible having been given a preview of the sites in your draft report.

I hope this is helpful to your final drafting. Happy to discuss over Teams if that's useful at any stage.
