Hi Martin,

I hope you and family are keeping well and safe in these challenging times.

I am touching base regards St Kevin's, Cork, as I would like to share with you for your information our Design Statement pack. I know it's a site we spoke about in the past and one you were interested in. We think it has turned out very well and we are ready now to submit a SHD pre-application consultation request.

The file size is 24.9MB so not sure if you can receive that? (if not I will look at an alternative means of sending to you).
